

Forward and Backward Propagation

Assignment Questions

- 1. Explain the concept of forward propagation in a neural network.**
- 2. What is the purpose of the activation function in forward propagation?**
- 3. Describe the steps involved in the backward propagation (backpropagation) algorithm.**
- 4. What is the purpose of the chain rule in backpropagation?**
- 5. Implement the forward propagation process for a simple neural network with one hidden layer using NumPy.**
